

The LOUISIANA FUNKY BUTTS Brass Band

Louisiana Funky Butts

The **Louisiana Funky Butts** Brass Band, six horns and two drummers, break genre boundaries and sound barriers – **Pumpin' Groovin', Rockin'!** It swings, it rocks, it jazzes and funks up the house. Musical batons are gracefully handed off between AfroBeats, Latin Grooves, French Pop, Southern Rock, Cajun Boogalos, Club Sounds and traditional 2nd Line Jazz. Music with a message, a sly wink and a kick in the ass. This polyglott octett sings and raps about machismo and conspicuous consumption, love troubles and *amour foutu*, bloody-mindedness and politics. Pure Music, with no artificial additives or preservatives, well-travelled and stage-seasoned from Stuttgart to Berlin, from Tübingen to Petrosavodsk.

"We make the streets dance, the club shake and the stage quake."
